LAUNCH YOUR BRAND

A woman wearing a black cap and a white shirt is sitting against a light-colored brick wall. She is looking towards the camera with a slight smile. The image is partially obscured by a semi-transparent white rectangle containing text.

ABOUT US

At Design School Cairo, we guide passionate individuals to turn their creativity into fashion careers.

Founded in 2018 by Omar Aboutera in Cairo, the school has since grown to become the leading fashion institute in Egypt, with the highest number of alumni who have gone on to launch their own brands.

We believe in giving our students not just knowledge, but also the confidence, creativity, and connections to thrive in the fashion world.

OUR VISION

At Design School Cairo, our vision is to shape the future of fashion in the region by nurturing designers who combine creativity with real-world skills. We aim to create a space where passion meets professionalism—where every student not only learns the art of fashion but also gains the tools to turn ideas into collections, and collections into brands. Our goal is to empower a new generation of designers who are confident, innovative, and ready to leave their mark on the fashion world.
